

Serial No. 09/503,262  
Attorney Docket No. JBP-480  
Page 3 of 12

This listing of claims will replace all prior versions and listings of claims in the application:

Listing of Claims

Claim 1 (currently amended) A device comprising:

- a. at least one gathered piece of three-dimensional textured film having textured variations;  
and
- b. securing means for substantially permanently holding the at least one gathered piece of textured film together; wherein said textured film has an open area of no more than about 45%, based upon the total area of the textured film.

c<sup>2</sup>  
Claim 2 (currently amended) The device of claim 1 wherein the film is comprised of a polymer selected from the group consisting of polyethylene, polypropylene, ethylene vinyl acetate copolymer, metallocene polyethylene, and blends and copolymers thereof.

Claim 3 (original) The device of claim 1 wherein the film has textured variations selected from the group consisting of holes, embossments, and combinations thereof.

Claim 4 (original) The device of claim 3 wherein the embossments have a depth of about greater than about 0 mm to about 3 mm.

Claim 5 (original) The device of claim 1 wherein the film contains textured variations in the amount of from about 1.6 textured variations/ cm<sup>2</sup> to about 248 textured variations/ cm<sup>2</sup>.

Claim 6 (original) The device of claim 1 wherein the film contains textured variations in the amount of from about 80 textured variations/ cm<sup>2</sup> to about 200 textured variations/ cm<sup>2</sup>.

Serial No. 09/503,262  
Attorney Docket No. JBP-480  
Page 4 of 12

Claim 7 (original) The device of claim 1 wherein the film contains textured variations in the amount of from about 5.0 textured variations/ cm<sup>2</sup> to about 15 textured variations/ cm<sup>2</sup>.

Claim 8 (previously canceled). The device of claim 1 wherein the film contains textured variations in the approximate shape of a circle, honeycomb, oval, heart, pear, hexagon, square, triangle, pentagon, stellate, rectangle or combination thereof.

Claim 9 (currently canceled). The device of claim 1 wherein the film has an open area of no more than about 45 % based upon the total area of the perforated film.

Claim 10 (original) The device of claim 1 wherein the textured film has an open area of greater than about 15% and less than about 35% based upon the total area of the perforated film.

Claim 11 (original) The device of claim 1 further comprising an inner substrate that is substantially covered by the piece of textured film.

Claim 12 (previously canceled). The device of claim 11 wherein the inner substrate is comprised of an open-celled mesh sheet, porous foam sheet, reticulated foam sheet, natural fiber sheet, polymeric sheet, and combinations thereof.

Claim 13 (currently amended) The device of claim 12 further comprising a second sheet of textured film, wherein the inner substrate is disposed between the two outer sheets of textured film.

Claim 14 (previously canceled). The device of claim 12 wherein the inner substrate is disposed between the outer sheet of textured film folded upon itself.

Serial No. 09/503,262  
Attorney Docket No. JBP-480  
Page 5 of 12

<sup>12</sup>  
Claim ~~15~~<sup>10</sup> (original) The device of claim ~~11~~<sup>10</sup> wherein the inner substrate is a non-sheetlike, three-dimensional body.

Claim 16 (previously canceled). The device of claim 1 wherein the securing means is a heat seal, an ultrasonic seal, a pressure seal, a locking tether, a ribbon, a cord, a strip, a band, a string, hooks and loops, a heat shrinkable material, an adhesive, or combination thereof.

Claim 17 (previously canceled). The device of claim 16 wherein the cord, ribbon, strip, string, band, or heat shrinkable material is elastic and attached to the textured film while the film is in an extended state.

<sup>13</sup>  
Claim ~~18~~<sup>13</sup> (original) The device of claim 1 further comprising a holding means.

<sup>13</sup>  
Claim 19 (previously canceled). The device of claim ~~18~~<sup>13</sup> wherein the holding means is a strap, handle, knob, character figure, container, or combination thereof.

<sup>14</sup>  
Claim ~~20~~<sup>14</sup> (original) The device of claim 1 wherein the device has a substantially spherical shape.

<sup>15</sup>  
Claim ~~21~~<sup>15</sup> (original) The use of the device of claim 1 as a personal cleansing product.

<sup>16</sup>  
Claim ~~22~~<sup>16</sup> (original) The method of making the device of claim 1 comprising:

- a) gathering at least one piece of textured film to produce a desired arrangement of film; and
- b) securing the at least one piece of textured film with a securing means.

<sup>17</sup>  
Claim ~~23~~<sup>17</sup> (original) The method of claim ~~22~~<sup>16</sup> wherein the at least one piece of textured film is C-folded prior to gathering.

188  
Claim ~~24~~ (currently amended). A device comprising:

at least one piece of three-dimensional textured film, wherein the device is in the form of a spherical poof, a mitt, a cloth having at least about 1.3 textured variations/cm<sup>2</sup>, a glove, a plurality of textured film appendages attached to a holding means or a textured film pad attached to a holding means; wherein said textured film has an open area of no more than about 45%, based upon the total area of the textured film.

199 18  
Claim ~~25~~ (Previously Amended). The device of claim ~~24~~ in the form of the mitt, the cloth, or the glove, having a first side and a second side, wherein at least one of the sides is comprised of a three-dimensional textured film.

c<sup>2</sup> 20 19  
Claim ~~26~~ (Previously Amended) The device of claim ~~25~~ wherein at least the first side has protuberances facing outward.

21 19  
Claim ~~27~~ (Previously Amended) The device of claim ~~25~~ wherein the first side and the second side comprise three-dimensional textured films having open areas and the open area of the three-dimensional textured film on the first side is different from the open area of the textured film on the second side.

22 19  
Claim ~~28~~ (Previously Amended) The device of claim ~~25~~ wherein at least one side is quilted.

23  
Claim ~~29~~ (original) A system comprised of:

- 18  
a) the device of claim ~~24~~, and  
b) an active material.

Serial No. 09/503,262  
Attorney Docket No. JBP-480  
Page 7 of 12

<sup>24</sup>  
Claim ~~30~~ (original) The system of claim ~~29~~ <sup>23</sup> wherein the active material is selected from the group consisting of moisturizers, bubble bath compositions, cleansers; conditioners; sunscreens; shaving foams; tanning agents; anti-acne agents; anti-aging agents; anti-irritant agents; perfumes/fragrances; moisturizers and mixtures thereof.

<sup>25</sup>  
Claim ~~31~~ (original) The system of claim ~~30~~ <sup>24</sup> wherein the active material is selected from the group consisting of oatmeal, perfumes/fragrances, cleansers, conditioners and mixtures thereof.

<sup>26</sup>  
Claim ~~32~~ (original) The use of the system of claim ~~29~~ <sup>23</sup> as a personal cleansing product.

<sup>27</sup>  
Claim ~~33~~ (original) The system of claim ~~29~~ <sup>23</sup> wherein the active material is impregnated into and/or deposited onto the textured film.

<sup>28</sup>  
Claim ~~34~~ (original) The system of claim ~~29~~ <sup>23</sup> further comprising an enclosure, wherein the active material is inside the enclosure.

<sup>29</sup>  
Claim ~~35~~ (original) The system of claim ~~34~~ <sup>28</sup> wherein the enclosure has walls comprised of water soluble material or water insoluble material.

<sup>30</sup>  
Claim ~~36~~ (original) The system of claim ~~34~~ <sup>28</sup> wherein the water soluble material is selected from the group consisting of methylcellulose, hydroxyethylcellulose, carboxymethylcellulose, gelatin, and mixtures thereof.

<sup>31</sup>  
Claim ~~37~~ (original) The system of claim ~~34~~ <sup>28</sup> wherein the water insoluble material is selected from the group consisting of polyvinyl chloride, polyvinylidene chloride, polyethylene, polypropylene, ethylene vinyl alcohol, and mixtures and copolymers thereof.

Serial No. 09/503,262  
Attorney Docket No. JBP-480  
Page 8 of 12

<sup>32</sup>  
Claim <sup>28</sup>38 (original) The system of claim <sup>28</sup>34 wherein the water insoluble material is dispensed from a valved aperture in the enclosure.

<sup>33</sup>  
Claim <sup>28</sup>39 (original) The system of claim <sup>28</sup>34 wherein the enclosure is refillable or replaceable.

<sup>34</sup>  
Claim <sup>18</sup>40 (original) A method of cleaning the skin comprised of  
a) applying a cleanser to the skin and/or to the device of claim <sup>18</sup>24; and  
b) using the device to create a lather.

<sup>35</sup>  
Claim <sup>18</sup>41 (original) A method of cleaning the skin comprised of using the device of claim <sup>18</sup>24 containing a cleanser to create a lather on the skin.

<sup>36</sup>  
Claim <sup>18</sup>42 (original) A method for treating acne comprised of  
a) applying an anti-acne agent to the skin and/or to the device of claim <sup>18</sup>24; and  
b) using the device to distribute the anti-acne agent.

<sup>37</sup>  
Claim <sup>36</sup>43 (original) The method of claim <sup>36</sup>42 wherein the anti-acne agent is selected from the group consisting of benzoyl peroxide, retinol, elubiol, antibiotics, salicylic acid, and mixtures thereof.

<sup>38</sup>  
Claim <sup>18</sup>44 (original) A method for reducing skin irritation comprising:  
a) applying an anti-irritant agent to the skin and/or to the device of claim <sup>18</sup>24; and  
b) using the device to distribute the anti-irritant agent.

<sup>39</sup>  
Claim <sup>38</sup>45 (original) The method of claim <sup>38</sup>44 wherein the anti-irritant agent is selected from the group consisting of oatmeal, dimethicone, white petrolatum, zinc oxide, and combinations thereof.

<sup>400</sup>  
c<sup>2</sup> Claim ~~46~~ (original) A method for promoting healthy skin comprising:

- a) applying an active material to the skin and/or to the device of claim ~~24~~<sup>18/8</sup>; and  
b) using the device to distribute the active material.
-
